

# British Nature Guide

How much do you know about wildlife?

Read the following information carefully and then answer the questions in the boxes at the bottom of the page.

A butterfly is an **insect**. It has **six** legs and four wings. It can **fly**. It visits flowers and it feeds on **nectar**.

A spider is an **arachnid**. It has **eight** legs. It builds sticky webs. It cannot **fly**. It eats **flies**.

A Heron is a **bird**. It has two wings and it can **fly**. It has **two** long legs. It eats **fish** which it catches with its sharp beak.

A Fox is a **mammal**. It has **four** legs and a long bushy tail. It cannot **fly**. It hunts for its food and it eats **rabbits**.

	How many legs do I have?	Can I fly?	What do I eat?	I am
Heron				A bird
Butterfly				An insect
Fox				A mammal
Spider				An arachnid
